

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Accountability to Society:

During academic year 2020-21 there was the Covid-19 pandemic situation due to which the society and education system suffers. In this scenario, it was the great challenge to us to shift education system from offline to online mode. To keep the students in flow of Education, college successfully conducted the Google form quiz test on different issues. Due to Covid-19 pandemic situation extracurricular activities were stopped totally.

As a part of social responsibility our NSS volunteers sprayed the sodium hypo chloride in different villages. NSS volunteers also sewed the masks for needy peoples. They distributed the mask and sanitizer to society and aware them about corona virus. College shifted admission process from offline to online mode. Online classes were conducted on Zoom platform for student.

A national level webinar on “Consumerism and Financial Literacy in Covid-19 times” was jointly organized with Consumer Guidance Society of India on 16th - 18th September 2020. The objective of the said webinar was to aware the society about consumerism and tries to literate financially.

Banana technology and extension center in our college organized National level e-conference in collaboration with Jain irrigation systems ltd. Jalgaon for banana producer farmers on 23rd October 2020. On 24th April 2021 National e-conference on “Advanced Technology for Quality Banana” Production was also conducted by college.
