- 👉 To encourage the voters to participate in the democracy by enrolling themselves in the Electoral Rolls and voting at the time of Election

3. The Context:

Voters and voting are the key factors in the democratic process. For that, it is important to bring the voters into the flow. Voter awareness should be a continuous process instead of a one off exercise. Voting is very important in a democracy because it is a way for people to have a say in their government and to elect officials who represent their interests. For strong and healthy democracy, voter and voters are very play the vital role. It is also a way for people to hold their government accountable. Voting allows people to have a voice in the decisions that affect their lives. Besides that, voting is important because it sends a message to our elected officials that we care about what happens in our country and that we are paying attention to the issues that matter to us. When large numbers of people don't vote, it sends the message that we are complacent and that they can get away with anything. To become healthy and strong democracy, voter awareness campaigns is important. By keeping this view in Mind College have made the efforts for voter awareness campaigns programmes.

6. Problems Encountered and Resources Required:

Literacy helps individuals to access and exercise various rights and entitlements provided to them under the Constitution. Women's still do not participate much in the voting process. Also Our area is rural and peoples are belongs to farmer and farm worker. Hence it is difficult to percolate the awareness regarding voting process. To overcome these college was organized the different programmes like street play, rally etc. we tries to make the effort to bring the women's in voting process.

7. Notes (Optional)

Please add any other information that may be relevant for adopting/ implementing the Best Practice in other institutions (in about 150 words).

For effective implementation of voter awareness program, the voter awareness forum was established. This forum helps for voter awareness campaign. Our Hon. Principal tries to create awareness among the students with the help forum

BEST PRACTICE - 2

1) Title of the Practice: “Women Empowerment”

2) Objectives of the Practice:

- ✓ To empower women through education and strengthen them with social values.
- ✓ To provide a safe and culturally inclusive environment for girls.
- ✓ To promote a culture of respect and equality for girls.
- ✓ To involve them in administrative enterprises, to keep up the transparency of policies.
- ✓ To uplift their self-confidence and inspire them to shine in curricular and Co-curricular activities.
- ✓ To incorporate necessary skills in girl students to help them find better job opportunities.
- ✓ To enhance the personality of female students and develop value-oriented leadership in them.
- ✓ To conduct seminars, workshops to impart knowledge of opportunities and tools available.
- ✓ To inspire women and girls to stand up for their rights through awareness programs.

3) Structure:

The cell “Yuvati Sabha” is constituted which works under the Student Development Department. The coordinator for Yuvati Sabha is selected from the ladies staff. Girl students are its members. The Principal and senior faculty assist and guide the activities of Yuvati Sabha.

4) The Context:

College has more than 50% girl students. Majority of them hail from rural background. Inequality and women harassment is a social stigma; Yuvati Sabha has taken keen interest to protect the rights of girl student by organizing distinctive value added programmes. “If you educate a boy you educate an individual, if you educate a girl, you educate a whole family”. In this context the Yuvati Sabha has designed several women empowerment programmes to educate the girl student.

Education is a crucial factor in empowering women, promoting their well-being and social development. It is essential to empower women in every field for their holistic development. The process of empowerment fosters the strength needed to challenge gender biases and for that education is a vital means through which empowerment is achieved.

5) The Practice:

College caters to the increasing educational needs of female students in the region, providing them with a secure campus and a supportive learning environment that enables them to pursue their studies independently. As part of its commitment to women empowerment, college actively encourages girls to explore and engage in various aspects of a vibrant college life, fostering their personal growth and development. This approach aims to shape them into healthy and responsible individuals.

College has organized and conducted various programmes under Yuvati Sabha with true spirit and dedication. The college under the banner of Yuvati Sabha has organized several programmes which are listed below.

Sr. No.	Event	Date	Resource Person
1	Inauguration of Yuvati Sabha	12/08/2022	Dr. Rekha P. Patil

9	Yoga campaign	11/03/2023 to 17/03/2023	Trainer: Swati Joshi and Komal Patil,

6) Evidence of Success:

College has identified major changes in the attitude of girl students on various parameters such as Overcome of shyness, more participation in class wise seminars and extra –curricular activities, Positive attitude, free interaction with teachers and other students. The remarkable academic results achieved by the girls in all classes are a testament to our success in nurturing their intellectual capabilities. Many of our students secured distinctions and are pursuing studies in M.A, M.Sc. & B.Ed. Girl Students also took part in the various sports competition at the University level.

More than 50% of total students registered in our college are girl students. Most of the girls participate in competitions and cultural events. Girls of our college consistently excel in co-curricular activities, competitions, and cultural events, earning a significant number of prizes.

7) Problems Encountered and Resources Required:

- ✓ The modest and diffident girl students were reluctant to cross their academic borders affecting the successful conduct of awareness programs.
- ✓ A majority of girls in the college come from humble family backgrounds, facing challenges such as low self-confidence and limited family support.
- ✓ Organizing various programmes during working hours has caused hindrance to class work.
- ✓ Due to inadequate financial resources, it is often difficult to choose Resource Persons in the subject area.
