

## S.V.P. Arts & Science College, Ajnpur Tal. Raver Dist. Jalgaon

With the vision and mission of our college we equip students with global competencies. We would like to share the performance of the institution in last 5 years to fulfill our vision statement. We always try to convert our weakness into strength. 21st century is the era of globalization and all countries are under its umbrella. Also for better knowledge sharing our college having Wi-Fi connectivity with 5 broad band connections. Our vision is to develop student with competency, confidence and excellence quality. College always encourage the rural masses by arranging the different programmes like voters awareness programme on National voters day , celebration of anniversaries of national hero's, for the environment consciousness we organize tree plantation, workshop on global warming, for interaction with renowned personalities we arrange different conference, workshops. College always tries to contribute for society through NSS unit .It arranges the different programmes in adopted village. The programmes of swachata Abhiyan, different awareness rallies, knowledge sharing and encourage lecture etc are arranged by NSS unit. College always tries to help the poor students by providing the scholarships sponsored by HPCL, Mr. B.A. Patil award scholarship, India bulls. Book bank facility is available for needy students. College has Alumini cell. Some our alumni having jobs in industry, police department , teaching profession,Nonteaching staff in schools etc. We also arrange the industrial and study tours every year which encourage the students and clear vision about their future. College organized distinct activities such as National level seminar on thoughts of sardar Patel , District level camp on Law and jurisdiction guidance,University level seminar on Global warming, The college publishes "Sardar" magazine, the mirror image of student activities which impart more confidence to them to stand and become a part of education stream.

College has initiated a mission of digital literacy for community development with the vision to empower at least one person per household with crucial digital literacy skills and is expected to touch the lives of 1000 individuals over the next few years. The practice aims at helping adults and rural students with low technological literacy develop the skills they need to interact in an increasingly digital world. The college organizes it as distinctive activity through cashless transaction, application of different apps of android moblie, Agriculture Apps.etc.

Knowledge resource centre enriched with books for preparation of competitive examinations. We organize books exhibition in every academic year.

The way of success is always promoted by the faculties time to time.
