Sardar Vallabhbhai Patel Arts and Science College,
Ainpur, Tal. Raver, Dist. : Jalgaon

Annual Quality Assurance Report

Academic Year: 2017-2018

Submitted to

**National Assessment and Accreditation Council,
Bangalore-560 010**

VISION OF THE COLLEGE

*Sustainable Socio-economic development of
rural masses through education*

MISSION OF THE COLLEGE

To provide relevant higher education to the rural students to groom them to be a responsible citizen, who will bear torch for disseminating knowledge in the rural masses and sustainable socio-economic development of the society with preservation of environment.

Sardar Vallabhbhai Patel Arts and Science College ,Ainpur

The Annual Quality Assurance Report (AQAR) of the IQAC Part – A

AQAR for the year

2017-18

I. Details of the Institution

1.1 Name of the Institution : **Sardar Vallabhbhai Patel Arts and Science College,**
Ainpur Tal. Raver,Dist.Jalgaon

1.2 Address : Khirdi Road, Ainpur ,Tal.Raver, Dist.Jalgaon

City/Town : Ainpur,Tal.Raver

State : Maharashtra

Pin Code : 425507

Institution e-mail address : svpca123@yahoo.com

Contact Nos. : 02584-271541

Name of the Head of the Institution : Dr. Jaswant Baburao Anjane

Tel. No. with STD Code : 02584-271541

Mobile : 09850192210

Name of the IQAC Co-ordinator : Dr .Kishor Govind Kolhe

Mobile : 09423189516

IQAC e-mail address : kishorgkolhe@gmail.com

1.3 **NAAC Track ID:** MHCogn 10783

OR

1.4 **NAAC Executive Committee No. & Date:**

(For Example EC/32/A&A/143 dated 3-5-2004.

*This EC no. is available in the right corner- bottom
of your institution's Accreditation Certificate)*

1.5 Website address: www.ainpurcollege.org.com

Web-link of the AQAR:

http://ainpurcollege.org/08_IQAC/IQACReports/AQAR_17_18.pdf

1.6 Accreditation Details

Sr. No.	Cycle	Grade	CGPA	Year of Accreditation	Validity Period
1	1 st Cycle	C+		2004	5 years

1.7 Date of Establishment of IQAC :

DD/MM/YYYY

19/07/2004

1.8 Details of the previous year's AQAR submitted to NAAC after the latest Assessment and Accreditation by NAAC ((for example AQAR 2010-11 submitted to NAAC on 12-10-2011)

AQAR 2013-14 submitted to NAAC on 02-01-2018

AQAR 2014-15 submitted to NAAC on 30-12-2017

AQAR 2015-16 submitted to NAAC on 30-12-2017

AQAR 2016-17 submitted to NAAC on 11-01-2018

1.9 Institutional Status

University State Central Deemed Private

Affiliated College Yes No

Constituent College Yes No

Autonomous college of UGC Yes No

Regulatory Agency approved Institution Yes No

(eg. AICTE, BCI, MCI, PCI, NCI)

Type of Institution Co-education Men Women

Urban Rural Tribal

Financial Status Grant-in-aid UGC 2(f) UGC 12B

Grant-in-aid + Self Financing Totally Self-financing

1.10 Type of Faculty/Programme

Arts Science Commerce Law PEI (Phys Edu)

TEI (Edu) Engineering Health Science Management

Others (Specify) : _____

1.11 Name of the Affiliating University (*for the Colleges*) : Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon.

1.12 Special status conferred by Central/ State Government-- UGC/CSIR/DST/DBT/ICMR etc: NO

Autonomy by State/Central Govt. / University: No

University with Potential for Excellence	<input type="checkbox"/> No	UGC-CPE
DST Star Scheme	<input type="checkbox"/> No	UGC-CE <input type="checkbox"/> 00

UGC-Innovative PG programmes	<input type="checkbox"/> No	Any other (Specify) <input type="checkbox"/> 00
UGC-COP Programmes	<input type="checkbox"/> No	

2. IQAC Composition and Activities

2.1 No. of Teachers : 08

2.2 No. of Administrative/Technical staff : 01

2.3 No. of students : 01

2.4 No. of Management representatives : 01

2.5 No. of Alumni : 00

2.6 No. of any other stakeholder and
Community representatives : 01

2.7 No. of Employers/ Industrialists : 00

2.8 No. of other External Experts : 00

2.9 Total No. of members : 12

2.10 No. of IQAC meetings held : 02

2.11 No. of meetings with various stakeholders:

No.	<input type="text" value="11"/>	Faculty	<input type="text" value="06"/>				
Non-Teaching Staff	<input type="text" value="02"/>	Students	<input type="text" value="01"/>	Alumni	<input type="text" value="01"/>	Others	<input type="text" value="01"/>

2.12 Has IQAC received any funding from UGC during the year? Yes No

If yes, mention the amount

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/ Workshops/Symposia organized by the IQAC

Total Nos. International National State Institution Level

(ii) Themes

- a) Seminar on Humanity and Terrorism.
- b) Seminar on Gender equity.
- c) Workshop on carrier guidance.
- d) University Level workshop on employment skill development.

2.14 Significant Activities and contributions made by IQAC

Conduction of SWOT analysis to enhance capability of academic processes.
 Interaction of IQAC members with quality based teachers and academicians
 Guidance for the faculties to prepare API for career advancement scheme.
 To inspire the teachers for ICT based teaching.
 Strengthening of the research culture through publications, research projects.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Sr. No.	Plan of Action	Achievements
1	To recommend management for construct the compound wall for the campus	IQAC suggested to develop the internal securities for the campus and forwarded the proposal for construction of compound wall to the Management. Ainpur Parisar Shikshan Prasarak Mandal considered the suggestion positively and constructed the compound wall (Front side) on their own fund.
2	University Level workshop on employment skill development	College has organised one day university level workshop on employment skill development.
3	To restructure vermicomposting unit.	College runs vermicompost unit which is restructured in the campus.
4	Democracy fortnight programme	College celebrated different programmes on the theme of democracy.
5	To initiate the quality education through certificate and value added courses.	<p>Certificate courses.</p> <ul style="list-style-type: none"> a) Certificate course in Skill of Map Reading. b) Certificate course in Applied Psychology. c) Certificate course in Banking and Finance. d) Certificate course in Python Programming. e) Certificate course in Soil Analysis. <p>Value Added Course.</p> <ul style="list-style-type: none"> i) Reading ,Writing and Communication Skill in Marathi.
6	To face the ISO 9001:2015 external audit .	International management system and certification,Noida Uttar Pradesh certified the college as quality institute ISO 9001:2015

* Attach the Academic Calendar of the year as Annexure. II

2.15 Whether the AQAR was placed in statutory body

Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
Management	<input type="checkbox"/>	Syndicate	<input type="checkbox"/>
		Any other body	<input checked="" type="checkbox"/>

Provide the details of the action taken

The report is placed before the College Development committee and approved for submission at NAAC office.

Part – B

Criterion – I

I. Curricular Aspects

1.1 Details about Academic Programmes

Level of the Programme	Number of existing Programmes	Number of programmes added during the year	Number of self-financing programmes	Number of value added / Career Oriented programmes
PhD	01	--	01	--
PG	01	--	01	--
UG	05	--	01	--
PG Diploma	--	--	--	--
Advanced Diploma	--	--	--	--
Diploma	--	--	--	--
Certificate	--	05	05	--
Value added course	--	01	--	01
Total	07	06	08	01
Interdisciplinary	--	--	--	--
Innovative	--	--	--	--

1.2 (i) Flexibility of the Curriculum: CBCS/Core/ **Elective option** / Open options

(ii) Pattern of programmes:

Pattern	Number of programmes
Semester	06
Trimester	00
Annual	06

1.3 Feedback from stakeholders* Alumni Parents Employers Students
(On all aspects)

Mode of feedback : Online Manual Co-operating schools (for PEI)

**Please provide an analysis of the feedback in the Annexure III*

1.4 Whether there is any revision /update of regulation or syllabi, if yes, mention their salient aspects.

For all the programs affiliated to university, syllabus revision cycle is of three years.

- UGC model curriculum, society needs, feedback from all stakeholders, changing national and global trends are the key factors for revision.
- Project work is made compulsory in some of the programs syllabus.

1.5 Any new Department /Centre introduced during the year. If yes, give details.

No

Criterion – II

2. Teaching, Learning and Evaluation

2.1 Total No. of permanent faculty

Total	Asst. Professors		Associate Professors		Professors	Others
23	21		02		00	00

2.2 No. of permanent faculty with Ph.D.

11

2.3 No. of Faculty Positions Recruited (R) and Vacant (V) during the year

Asst. Professors		Associate Professors		Professors		Others		Total	
R	V	R	V	R	V	R	V	R	V
00	06	00	00	00	00	00	00	00	06

2.4 No. of Guest and Visiting faculty and Temporary faculty

00

00

04

2.5 Faculty participation in conferences and symposia:

No. of Faculty	International level	National level	State level
Attended	02	01	07
Presented papers	04	24	--
Resource Persons	--	01	--

2.6 Innovative processes adopted by the institution in Teaching and Learning:

Interactive lecture method is used to encourage students to express themselves and consolidate their understanding of the topic taught. It includes

- ICT based teaching.
- INFLIBNET-NLIST
- e-resources

The College is making all out efforts for the increased use of modern ICT based teaching tools such as interactive boards, audio-visual aids and internet in teaching learning process.

2.7 Total No. of actual teaching days

during this academic year

189

2.8 Examination/ Evaluation Reforms initiated by the Institution (for example: Open Book Examination, Bar Coding, Double Valuation, Photocopy, Online Multiple Choice Questions)

College follows rules and regulations of K.B.C.North Maharashtra University for examinations.
University prescribes the format of questions as per the course marking.

2.9 No. of faculty members involved in curriculum Restructuring /revision /syllabus development as member of Board of Study/Faculty/Curriculum Development workshop

05	--	--
----	----	----

2.10 Average percentage of attendance of students: Above 70%

4.4 Technology up gradation (overall)

	Total Computers	Computer Labs	Internet	Browsing Centres	Computer Centres	Office	Departments	Others
Existing	52	32	10 connections	04	02	05	05	04
Added	00	00	00	00	00	00	00	00
Total	52	32	10 connections	04	02	05	05	04

4.5 Computer, Internet access, training to teachers and students and any other programme for technology up gradation (Networking, e-Governance etc.)

- College have made efforts for computerization of administrative systems, including adoption of SOUL 2.0 library software, MKCL digital college software and in-house development of need based administrative software for admission, scholarship and finance functions. Library also provides E-mail Service to staff members.
- Internet Facility:** - The library is equipped with broadband internet facility. providing 6 internet connected computers for students and staff.
- Open Access systems:** - Open access system is used for students, Researchers, teachers & staff.

4.6 Amount spent on maintenance in lakhs:

i) ICT	85420.00
ii) Campus Infrastructure and facilities	2173232.98
iii) Equipments	287799.00
iv) Others (Library and Labs)	200900.00
Total:	2711931.98

Criterion – V**5. Student Support and Progression**

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

College Prospectus consists of detailed information about the student support services.
• Hon. Principal and Vice principal gives additional information in the inaugural address at the beginning of each academic year regarding Student support services.
• Student Welfare Centre and student counseling Centre supports the students in participating and organizing various activities and events.

5.2 Efforts made by the institution for tracking the progression

The college has interactive method to identify slow and advanced learners with the objective of proper monitoring of such students in the class room.
• In each department internal examination results are analyzed and evaluated. This interpretation is then used for finding track to improve the students by remedial teaching.

5.12 No. of social initiatives undertaken by the students

5.13 Major grievances of students (if any) redressed;

Criterion – VI

6. Governance, Leadership and Management

6.1 State the Vision and Mission of the institution

Vision: Sustainable socio-economic development of rural masses through education.

Mission :

To provide relevant higher education to the rural students to groom them to be a responsible citizens, who will bear torch for disseminating knowledge in the rural masses and sustainable socio - economic development of the society with preservation of environment.

6.2 Does the Institution has a management Information System

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

The college is located in rural area and affiliated to North Maharashtra University, Jalgaon .which has a well pronounced goal of „internationalization of the curriculum that will yield exciting opportunities for research and instruction“. College follows the curriculum developments for the running courses. Our related activities are

1. Participation in syllabus reform
2. Student feedback

6.3.2 Teaching and Learning

Nowadays ICT tools and techniques have major importance in the process of effective teaching- learning.

- To build, expand and update ICT infrastructure in the campus.
- To train the faculty members for making them ICT enabled.
- To motivate teachers to use modern teaching aids based on ICT.
- To motivate the students use the ICT based aids infrastructure and tools for effective learning experiences.

6.3.3 Examination and Evaluation

College constitutes a special examination committee to ensure effective implementation of all activities related to internal and external examinations and assessments.

1. Semester pattern is adopted by college
2. Examination are strictly according to rules and regulation of North Maharashtra University, Jalgaon
3. Internal examination is conducted by university at the centre of college having autonomy to set the internal examination question papers.
4. Central Assessment programme is organized by University for evaluation of theory papers

6.3.4 Research and Development

Post graduate research centre is established at Department of Physics.

One student is perusing Ph.D.

Department of Botany have research facilities as USB camera, Trinacular research microscope and research monographs to strengthen research capabilities.

- ICT facilities made available for the researchers in the college with advance software and hardware.

Three students are awarded Ph.D. under the prudent guidance of Dr.R.V.Bhole and Dr. P.R.Mahajan

- Almost teachers are participating in National/International conferences being part of research culture.

Minor research projects /VCRMS are sanctioned and ongoing ,which itself reflects the research and development.

- Introduced Research Promotion Scheme for students to promote research attitude

6.3.5 Library, ICT and physical infrastructure / instrumentation

The library is centrally located with a total carpet area 52"x42.4" sq.ft. The Library is well ventilated with adequate facilities having 11712 books including Reference books, encyclopaedia, etc. on various subjects. The library regularly subscribes about 16printed journals, magazine and periodicals.

Library subscribes around 24 printed Journals & Magazines devoted to various subjects and general interest. The library consists of more than 147 back volumes of Journal and periodicals.

- **E –resources:** - more than 400 titles on E-resources are one of the peculiarities of the library. 30 CD's and DVD's are also available.
- **N-LIST:** - Library subscribed N-LIST facility of UGC-INFLIBNET, Ahmadabad.
- Computerized services:** - The Library has SOUL 2.0 software from 5th July 2011 and Computerization is under Process. Library also provides E-mail Service to staff members.
- **Internet Facility:** - The library is equipped with broadband internet facility providing 6 internet connected computers for students and staff.
- **Open Access systems:** - Open access system is used for students, Researchers, teachers & staff.
 - **Reader Awareness activities such as**
 - Library tour, Library hour lecture
 - Library Website
 - Use of Social Networking Sites to interact with users
 - Organize book exhibition
 - Organize general knowledge examination for the student
 - Organize computer, information technology awareness course .
- **Book Bank facility**
- **Inter Library borrowing facility**

6.3.6 Human Resource Management

The Institutional management has a view to develop the resources by participative decision-making and functioning.

- Principal constitutes number of committees every year for various functions and activities of the college. The active staff members are encouraged to play lead roles in various, functions / activities / events. Good blend of senior and junior staff members formed in the committees, with the objective of experience sharing and team building, helps in successful completion of task.
- The teaching and non teaching staff members are deputed to participate in various training programmes in order to upgrade themselves. Some of our staff members always help in the office administrative process.

6.3.7 Faculty and Staff recruitment

The recruitment of the teachers in the College is done strictly on merit, as per the rules, regulations and norms of the U.G.C., Government of Maharashtra and North Maharashtra University, Jalgaon. The Reservation criteria are strictly followed according to rules and regulations.

6.3.8 Industry Interaction / Collaboration

Chemistry department have the practice of interacting with the related industries.

6.3.9 Admission of Students

Admissions to the various programmes are made according to rules and regulations of University, However our college is located in rural area So due to limited demand of students the admission process followed by admission committee is first come first basis.

- During the admission process, the faculty and experts provide help, support and advice to the students regarding various programme options available to them.

6.4 Welfare schemes for

Teaching	<i>Bachat Gat</i>
Non teaching	<i>Bachat Gat</i>
Students	<i>Poor student fund, HPCL Scholarship Mr.B.A.Patil Scholarship India Bulls Scholarship Earn and learn</i>

6.5 Total corpus fund generated

Deposits- 289000.00

6.6 Whether annual financial audit has been done

Yes No

6.7 Whether Academic and Administrative Audit (AAA) has been done ?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	Yes	ISO-9001:2015 International Management System & certification, Noida , Delhi	No	
Administrative				

6.8 Does the University / Autonomous College declares results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University / Autonomous College for Examination Reforms?

The appointment of Examiners, Paper Setters, Moderators, Practical Examiners, Flying Squads, Senior Supervisors etc. are made through online mode.

- Implementation of 60:40 pattern with MCQ based term end examinations.
- All the reports related with examination are made online
- College exam committee commits to work over the academic year for internal examinations.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

The academic and administrative leadership of the University encourages its affiliated colleges/institutions to take autonomous status. However our College is in rural area having poor financial sources and limited strength of students.

6.11 Activities and support from the Alumni Association

Alumni Association meets at least once in a year

6.12 Activities and support from the Parent – Teacher Association

Parent teacher association meets at least once in a year

6.13 Development programmes for support staff

The College promotes the staff to participate in various activities and smoothly sanctions their leaves as per norms.

6.14 Initiatives taken by the institution to make the campus eco-friendly

- ❖ Tree plantation
- ❖ Green audit,
- ❖ Printer cartage recycling,
- ❖ Use of waste papers,
- ❖ Water management,
- ❖ Dual flush toilet,
- ❖ Use of environmentally friendly cleaning products,
- ❖ Vending machine

Criterion – VII

7.Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- a. One day workshop for digital literacy
- b. Workshop on cashless transaction.
- c. Green Audit
- d. Digital Class room

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

Annexure IV

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

Annexure V

7.4 Contribution to environmental awareness / protection

- Celebration of International Ozone Day.
- Environmental awareness lecture.
- Tree plantation guidance camp.
- Use of environmentally friendly cleaning products

7.5 Whether environmental audit was conducted?

Yes No

7.6 Any other relevant information the institution wishes to add. (For example SWOT Analysis)

Strengths

- Gymnasium facility for the nearby beneficiaries
- HPCL Scholarship for students
- MOU with Kilowatt solutions an outlet of IIT, Poway, Bombay.
- India Bulls Scholarship.
- Postgraduate research centre
- Career counseling Centre and Equal opportunity Centre
- One student Malkhede Bhagirath Narayan awarded special rank in Poster competition held in Yuvarang- 2017-18

Weaknesses:

- Least performance and contribution of students in use of Gymnasium.
- Least response of Youngsters outside college for gymnasium
- Lack of funds /Participation fee from students to organize the programmes with Kilowatt Solutions.
- Dropout rate

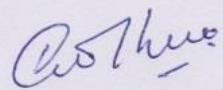

Challenges

- To increase the strength of students for Faculty of Arts and Science.
- To decrease the dropout rate .
- Participation of the beneficiaries from nearby villages for Gym.
- To find the sponsoring agencies/NGO for organizing the programmes with Kilowatt solutions.

8. Plans of institution for next year

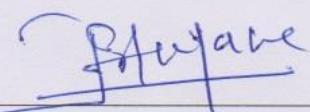

- To promote the students for quality education.
- To establish the Post graduate research centre for Botany.
- To organize training program for undergraduate students for Solar energy utilization.
- To submit the proposal for M.Sc.(Organic chemistry)
- To construct remaining compound wall for the campus.
- To establish canteen facility for college.

4	Summer Vacation 01.05.2018 To 14.06.2018	Summer Vacation	

Annexure-III

Analysis of feedback from stakeholders and its use in Curricular Design and Development

- College in practice obtains feedback from stakeholders in various forms .However Mainly the feedback from the students is main agenda for development of the college.
- Feedback is obtained from the students through feedback forms. The feedback is also received from meetings of students council and farewell /welcome functions, where the teachers interact more closely with the students. Students can also provide their feedback through suggestion box located near the office in the college campus. However personal interaction of students with the teachers and principal helps the mentoring and feedback process.
- Alumni meeting are conducted once in a year .where occasionally feedback on Curriculum is obtained.
- The feedback from the parents is obtained through personal interaction by visiting the parents at the beginning of the academic year..
- The curriculum issues are discussed with the Community Representatives, NGOs, Local Authorities, and social workers, and professionals while conducting various social activities.

The SWOT analysis of curriculum is done through feedback received from the stakeholders. The College always prepares the best presentations through the faculty members in different academic bodies and committees of university like Board of Studies. The active participation of these teachers, and the feedback from stakeholders, academic peers and experts, has always contributed in updating the syllabi. Our faculties always participates in different activities restructuring of existing courses under North Maharashtra University (NMU).

Annexure-IV
Action Taken Report

Sr. No.	Decision taken in the meeting	Action taken	
1	Preparation of Self Study Report (SSR) for second cycle of Accreditation	Following steering committee members are preparing the draft of Self Study Report (SSR) as per the format.

Annexure V

Best Practice-I

1. Title of the Practice:

Digital literacy for students and Community

2. Objectives of the Practice

- The basic need is to bring the rural masses in the flow of digital world and explain the concept of Digital India .
- The expectancy of the society diverts towards standard of living.
- People living in backward scene will be globalized with today's world.
- It'll lay a good impact in the lives of the youth
- Right to education will not only be confine to social science book, rather it will rightly be exercised & We'll get to see the sense of contentment from the unprivileged & ill-literate parents face, seeing their child getting the privileged of modern digital education.
- To know and aware the people about the Visions of Government of India for its effective implementation.
- To build the Pillars of Digital India for its implementation in the era of globalization.
- To have the basic knowledge of computer and ICT related to gadgets like mobile, phone, use of ATM machines, net banking etc
- Introduce the facilities like Digital locker and make them the use for storing the important documents like Pan card ,passport, mark sheets etc.

3. The Context

Digital literacy.is basic knowledge of computer and ICT so that a person can do his or her basic work in computer or technology related gadgets e.g. mobile phones, use of ATM machines, net banking etc. It is very important for rural India as for the huge population rendering services is possible through digitization of services and the good thing is that government is very serious about providing the basic amenities to citizen of India especially our rural brother and sisters and it can be made possible through digital governance.

The government commits the development of society through digital literacy. Which plays major role in fast growing countries like India The 70% population of our country is having rural status. It is an opportunity to serve for the progress of villegers through the technology The evaluation of villege is still on the slow track as resistivity of villegers is main obstacle having the clothes of tradition and superstition.

The fast track life in this century is the elaborative target for peoples. One can achieve employment by injecting digital era into their life. **Digital literacy has direct impact on people's per capita income.** Considering importance of digital literacy in

education which helps student to learn things around the world besides book knowledge. They can learn different kind of online courses which improves their employability criteria.

We have initiated this mission with the vision to empower at least one person per household with crucial digital literacy skills and is expected to touch the lives of 1000 individuals over the next few years. This is an effort to complement government's vision to transform one from each household as digitally literate. The practice aims at helping adults and rural students with low technological literacy develop the skills they need to interact in an increasingly digital world.

It is the dynamic and integrated platform of digital literacy awareness, education and capacity programmes that will help rural communities fully participate in the global digital economy. Our focus is on making technology central to enabling change.

Digital literacy will improve social and financial status of people. We can see women's in remote areas are selling their handcraft products in e-commerce platform like Amazon. People can learn their interesting factors like organic farming , health precautions, wheather conditions Social media .Students interaction through google classroom ,Youtube lectures ,online counseling etc. Govt. of India has initiated *E-Panchayat / E-Pathshala* mission to improve quality of governance in rural areas. The Pillars of digital India are

- ☞ Broadband Highways
- ☞ Universal Access to phones
- ☞ Public internet Access program
- ☞ E-Governance Reforming government through technology
- ☞ e Kranti- Electronic delivery of services
- ☞ Information for All
- ☞ Electronics Manufacturing- Target NET ZERO imports
- ☞ IT for jobs
- ☞ Early Harvest

4. The Practice

It was the challenge to us how know about literacy of digitalization in villagers, hence Initially, college made the survey of 60 men and 40 women from nearby villages through spot interviews and questionnaires. Survey reveals from fig.1 that generally women are not using the internet for digitalization purpose. They only use the internet for communication through voice call and rare use for social sites like Whats app. Village women having the afraid about internet net banking etc. Out of 60 men 41 are using androids with latest versions and out of 40 womens 30 are using the androids.(Fig.2 and 3)

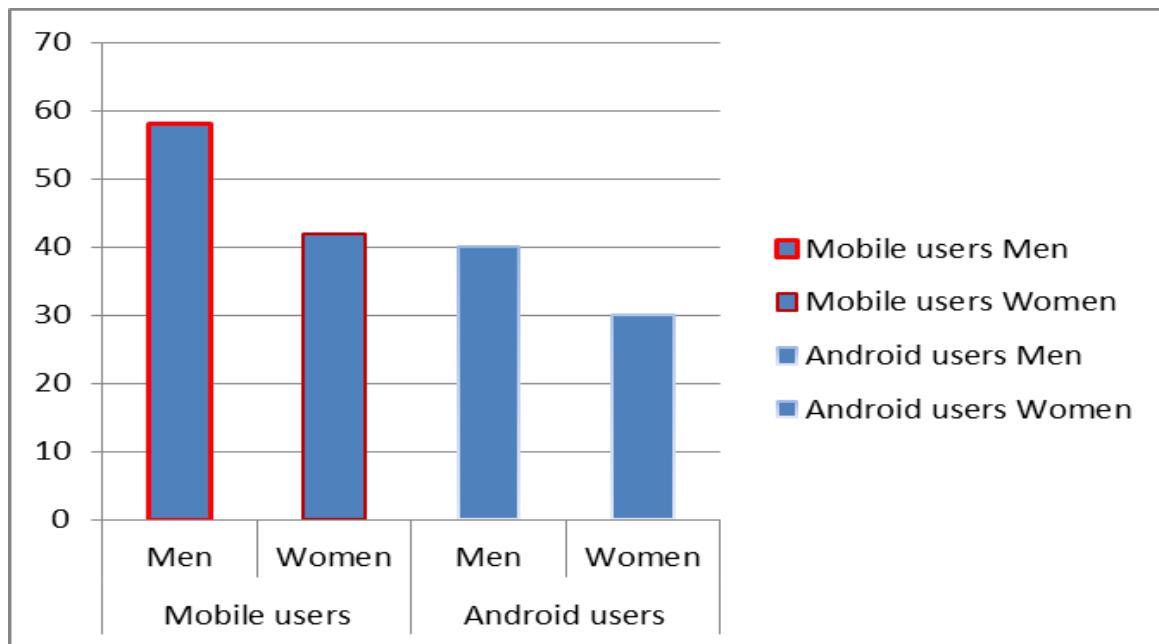

Fig.1

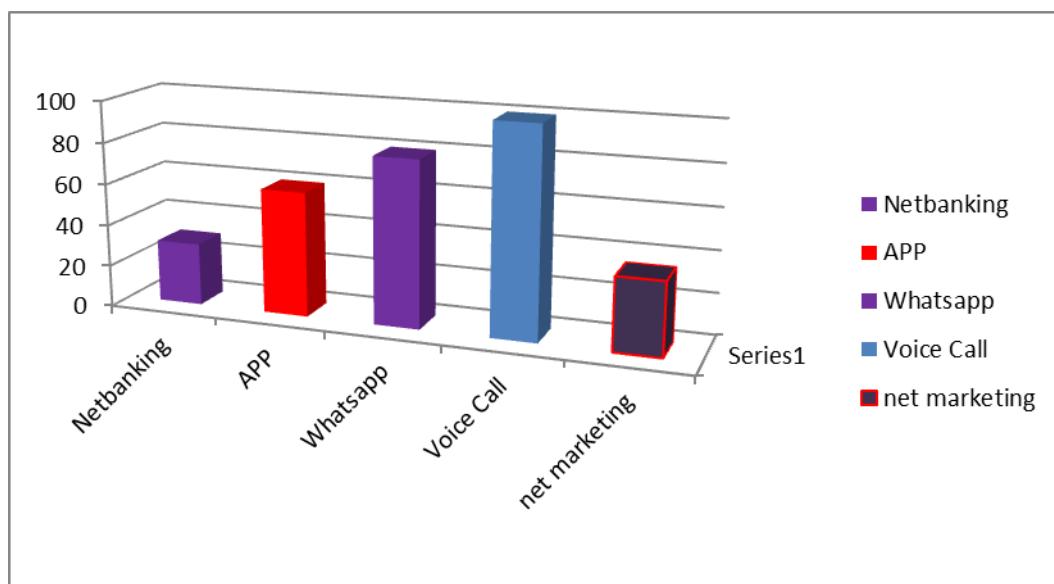

Fig.2

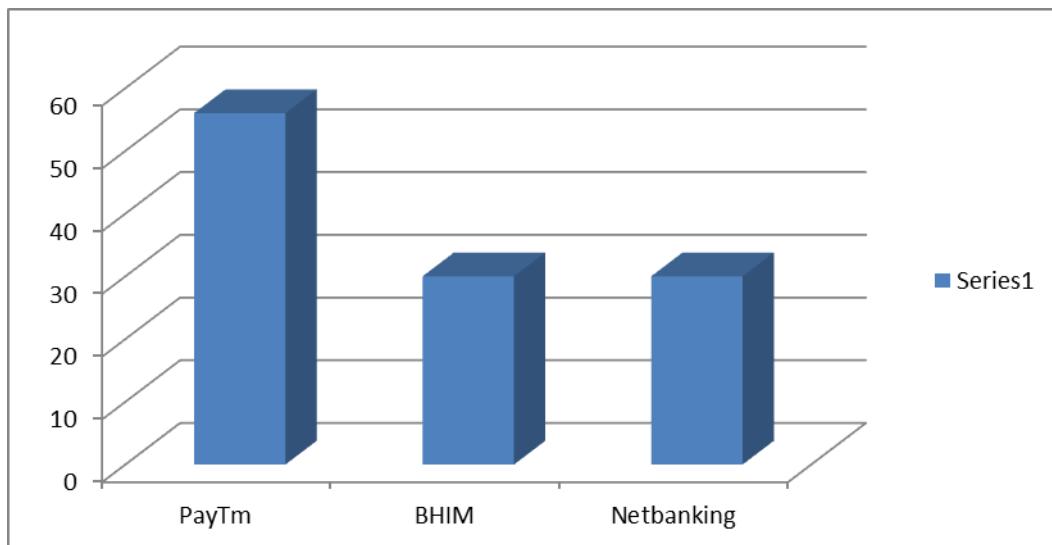

Fig.3

So it is difficult to convenes the importance of digitalization and make them conscious and free mind about online banking or net banking. The following programs are arranged by keeping this view

- Initially college arranged the workshop on net banking and internet banking in the adopted village Dhamodi .Resource person Mr. Sonu Davale nicely explained the aim and objectives of net banking and demonstrated the sample transactions to villagers and NSS volunteers. He also explained the use of ATM card, how it is important for the instant transactions and withdrawals of money.
- Celebration of digital week by arranging the talk on ONE STEP AHEAD – cashless transaction by Mr. Vilas Chandelkar . He assured to the participants about the safety that without OTP nobody can disturb your account..
- One day workshop on Needful apps on android Phone by Mr.H.M.Baviskar, Miss. Ankita Chaudhari and Miss. Apurva Mahajan They introduced all useful apps on android phone like agricultural App, BHIM, PAYTM, and Phone Pay . They explained how these apps are useful and safe for transactions. They had demonstrated the payment of electric bill of one villager and explained easy pay of Electric bill in hand and anywhere .
- One day workshop incordination with Bank of Maharashtra ,Raver Branch.
- Use of Govt. website for one line submission of different schemes organized with help of Zilha Parishad Jalgaon for villagers.

5. Evidence of Success

In the digital era still rural India there is lack of knowledge about utilization of applied instrument and net surfing for the time consumption. Rural peoples are feared to lose the data / money / secrets of their own families through the internet. The success of our practice is that many villagers and students are now out of fear and using the android for

agricultural marketing, banking transitions, and weather conditions time to time for their crops. They also utilize the what's app / Facebook for transmission and suggestion with agriculture officers / experts.

Students are using the email what's app facilities in androids for transmission of notes knowledge sharing, sometime notices of the college are also forwarded to students and their parents. The digital literacy of the social parameters is our main aim through these ways we meet by our efforts.

6. Problems Encountered and Resources Required

In practice People do not support for net banking and ATM because of they does not know about cyber security. People accept the Android phone but do not use it for any other information purpose because of language problem and poor network and access.

India lives in its villages. But it needs more amount of funds to meet the cost of infrastructure creation in rural areas than the urban areas. Division of fund among the rural and urban is not easy. India has 1600 languages and dialects. Non availability of digital services in local Languages is a great barrier in digital literacy. Fear of cybercrime and breach of privacy has been deterrent in adoption of digital technologies. Most of the technology including cyber security tools is imported. There is no sufficient skill to inspect for hidden malwares.

The goal of Digital India is far away as most of the nine pillars of digital India mission are facing serious challenges in implementation. Persistent attention must be given to each and every pillar.

The problems were found during the survey that villagers cannot give the information properly due fear about net banking. Women are worried to giving right information due to village culture. In our area most of peoples are farmers and farmworkers. So they are busy in their agricultural work. So it was very difficult to attain the villagers and fill their information for the survey. The problem is that internet is not properly run in most of villages i.e. 3G or 4 G net cannot run properly. So people cannot use the internet in proper time as per their needs. To literate the village about digitalization street play Programme will also be one option. To complete this achievement some funds are required.

Notes (Optional)

Workshop on Digital Literacy

Opening ceremony of Digital Literacy workshop

Dr.K.G.Kolhe introducing about the activity

One day workshop on Needful apps on android Phone

Students Miss. Ankita Chaudhari and Miss. Apurva Mahajan introducing all useful apps on android phone like agricultural App, BHIM, PAYTMR, and Phone Pay

Miss Ankita Chaudhari explaining about different agricultural apps

Miss Apurva Mahajan explain about different banking apps

Workshop arranged in coordination with Bank of Maharashtra, branch Raver

Workshop arranged by Zillha Parishad Jalgaon, for the online submission scheme

Best practice- II**Title of the practice: Vermicomposting and Green campus.****1. Goals:**

Our College is located in the rural area of farmer , farm workers and farming related business .The main crop of the area is Banana. To optimise the view of agriculturist students for agriculture development college has initiated this project. The main objective of vermicompost is to produce organic manure of exceptional quality for the organically starved soil. Agricultural wastes, wastes in the campus are usually dumped into at places resulting in a foul mess. By vermicomposting these wastes, they are not only utilized efficiently but also help in making a value-added product.

- i. To develop an integrated and environmentally organic waste management system that ensures the adequate collection and treatment with sustainable methods, in campus with close agricultural activity.
- ii. To involve the different necessary stakeholders to ensure the proper application of the project : extracurricular and extension activities “existing recyclers” and farmers, collection and treatment companies and other complementary agents.
- iii. To enhance the knowledge and good practices of the stakeholders involved
- iv. The project brings a contribution to the overall sustainability of the area.

2. Context:

vermicomposting is a type of composting in which certain species of earthworms are used to enhance the process of organic waste conversion and produce a better end product. The use of “vermicompost” for crop production can increase crop yield and significantly reduce the application of costly chemical fertilizers and pesticides that are not environment-friendly. The application of vermicompost at five tons per hectare and 50 percent of the recommended chemical fertilization for upland rice can result in a significantly higher yield than with chemical fertilization alone. The fruit yield of eggplant was significantly higher with the application of 100 grams of vermicompost and 10 grams (50 percent) of the recommended chemical fertilizers per plant compared to that of plants fertilized with 20 grams (100 percent) of the recommended chemicals per plant only. Because vermicompost helps in increasing the water-holding capacity of the soil, savings of 38 percent for irrigation was reported for commercial banana production. Through the government’s “National Vermicompost and Vermimeal Production Program,” These program helps the farmers lower their cost of production by minimizing the use of chemicals and at the same time reduce environmental pollution by utilizing farm wastes for vermicomposting.

3. The practice:

"Worms are the Intestines of the Earth". Using worms to convert decomposing food waste into nutrient-rich fertilizer is simple, inexpensive, energy efficient, and a great way to teach students to become life-long recyclers. In the past ten years an organization in India has

promoted over 3,000 farmers and institutions to switch from conventional chemicals to the organic fertilizer, vermicompost. Vermiculture enables any scale or size of operation. In 1985, Maharashtra Agricultural Biotech was formed and established a small plant to manufacture vermicompost from agricultural waste. The organization currently produces 5,000 tons of vermicompost annually. In the age of globalization land fertility and yield is a major issue for the agriculture sector. The farmers in our area are already using vermicompost. To motivate their generation, college has made effort to demonstrate the activity. The waste from college campus is utilized for the plants, botanical garden in the campus meets the aim of this project.

4. Evidence of Success:

Production of vermicompost is not much more technical, any farmer can produce this after a short training or with the help of literature. In India different vermicomposting methods have been applied from time to time, which are pit or tank method, bamboo pit method, bag method, open bed method. We are use bag method. Recently vermicompost production in specially designed HDPE bag has been recommended by several companies like Organic Farming Solution, Bengaluru, Karnataka; Surya Structural, Solan, Himachal Pradesh, etc. In the market it is available by its trade name. College has purchased portable SILPAULIN vermibed. Producers and promoters of these vermi-bags say that it is economical and mobile, easy to install and having provision to collect vermiwash liquid. This rectangular bag is 12 feet long, 4 feet width and 3 feet height that takes load of 1200–1400 kg biodegradable waste. In campus 1.5 kg per day biodegradable waste is generated which produces 400 to 500 kg vermicomposting in a cycle.

Vermicomposting bed with newly added waste material

Preparation of additives in campus

5. Problems encountered and resources required:

The college campus is about of 4 acres having constructed area with trees and plants. The student strength is below 500 per academic year .So, their daily transmission in the campus having limitation. The waste from the trees and plants is in accordance with it. So the source of waste has also limitations. Participation of students in this project for this year is poor .However in coming year our NSS department will encourage the students to collect the waste from nearby area so as their participation has some fruitful gain.
